PLANET DECADE AWARD FOR MANDARIN ORIENTAL-MIAMI

Greensleeves has been bestowed the most prestigious 2010 PLANET Landscape Decade Award for extraordinary Interior efforts over the past 10 years at the Mandarin Oriental Hotel in downtown Miami. To be considered for the award, firstly one must be a member of PLANET, have received the coveted Grand Award and maintained the property for 10 consecutive years. Greensleeves Inc. is the first Floridian firm to be presented with a Decade award and in 2010, represented 1 of 2 companies awarded, of the 162 total entries. Commitment and passion sums up Greensleeves attitude towards the project and the award speaks loudly about the Mandarin Oriental's management team. Steve Owens, CEO of Swire Properties, exclaimed "Well Deserved!" PLANET is the National Association of over 3500 companies who create and preserve the beauty of our landscape in communities across America and provides a National Landscape Certification System.

SEABOURN'S SOJOURN

We are pleased to announce our Continued Holiday support of the Yachts of Seabourn and welcome their newest addition, Sojourn, to their fleet. Sojourn is the twin to Odyssey and will arrive Ft. Lauderdale on November 15th from Portugal.

GREEN LAWNS & FOLIAGE

Greensleeves can provide natural and safe Fertilization and Pest Control for your property and we are especially versed in the new palm insects infesting tropical palms suffering from the freeze in January. Call for a free analysis of your property and how we can help you achieve Green safely while protecting our waterways and environment.
